DIFFERENTIATING TO STAND OUT.

Strata is a new variety on a level of its own that has been gaining industry wide attention. The recent popularity of Indie Hop's Strata has been driven by breweries looking to differentiate with creativity and innovation. Strata delivers a consistent, strong fruit flavor and unique aroma to deliver exciting new IPAs, pales ales and even lagers. Roy Farms was selected as the exclusive Washington state grower of this variety and continues to expand production to meet the demand. With our sustainable farming and growing practices, you can be confident you're purchasing the highest-quality Strata hops at Roy Farms.
